We are having our craft groups on **Monday, 29th and Tuesday, 30th November and on Monday, 6th and Tuesday, 7th December** commencing at 1.30 pm. Craft groups are always fun and give the students the opportunity to make items that they wouldn't normally make in the classroom. To make these groups the most effective we need your expertise! We know you have skills that would be great to pass on to the students. The school will provide materials or we may ask for a small fee from students to cover costs. Activities could include needlework, pottery, knitting, decoupage, string art, woodwork, cooking or anything else you are interested in. Please indicate on the note below if you are able to help.
