The Life Education visited us last Wednesday and taught us about staying healthy and making good decisions.

13th Story Treehouse

A recount of 'The 13 Storey Treehouse' by Hannah Brown

On the 24th of May 2022, years 3/4/5/6 travelled to the Tamworth Capital Theatre to watch the 13-storey treehouse. In Term one, they read the book. Andy and Terry live in a Treehouse. A thirteen-storey treehouse actually! In the book, they need to write a story and at the end they realise they had just done it as a stage production. Andy and Terry were supposed to write a play and then started going off the book instead. Every time they needed a new character, they used their stage assistant Val.

They had an inflatable wall that looked like a Gorilla's eye peering into the Treehouse window. They had lots of other props too.

After the play we went to Bicentennial Park for lunch. We played for 1 hour then caught the bus back to school.

Overall, Andy and Terry ended up with a pretty hilarious performance.

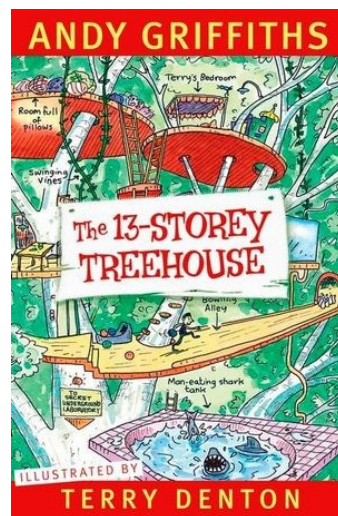

A recount of 'The 13 Storey Treehouse' by Matilda Maddison-Wadwell

Today we went to the Capital Theatre to see the 13-storey treehouse. It was so funny. Terry actually kissed Mermaidia.

After we went to the park. Before we played, we ate our lunch for 15 minutes. After we ate, we played for 1 hour.

After we played, we got on the bus and went back to school. Then we wrote a recount about what we did today.

Oh, and at the play there was a giant Gorilla eyeball and foot!

Week 8— Science Excursion

Science Excursion

Please see attached a note regarding an excursion to supplement our Term 2 Science units focusing on food and fibre production industries in Australia. This is an excellent opportunity for our students to see the process of paddock to plate.

Simultaneous Story

This event is held annually by the Australian Library and Information Association. Every year a picture book, written and illustrated by Australians is read simultaneously in libraries, schools homes and children's facilities all over the country and the world. We read "family tree" by Josh Pyke on Wed 25 the May at 11am along with thousands of other children.
