GRIP Leadership

Our The Years 5 & 6 had a wonderful day at the GRIP Leadership Conference. GRIP standing for Generosity, Responsible, Integrity, People. Henry did an excellent job when called upon to speak on stage. He explained how he would step up with Integrity in a hypothetical situation. His scenario involved him having weeded the school garden, only to realise he had actually pulled out all the new plants. When asked what he would do Henry explained he would tell the truth as it was a mistake and he had good intentions. The students learnt a lot about what it means to act with Integrity, focusing on the following acronym
Show what is right.
Tell the truth.
Encourage others to do what is right.
Persist even if you are criticised.

They had the opportunity to play games and meet students from other schools which was a great networking opportunity, especially as many of them are also attending the Canberra excursion in Week 6.

Write for 5 By Heleah

One sunny morning I was stuck at home with a cold. *Puff!* A giant cardboard box appeared in my room. I jumped into the box. *Ding, bong!* Inside the box there were buttons. I pressed one of the buttons that says, Beauty and the Beast'. I look down and realise that I have become Beauty. WOW!
