From the Principal

Dear Parents/Carers

On 30 May the Public Service Association of NSW (PSA) informed the department of a planned 24-hour strike to take place on Wednesday 8 June 2022.

While our school will still be open and there will not be any direct impact to teaching, there may be significant impact to the admin and learning support provided on the day as a result of school administrative and support staff (SASS) participating in the industrial action.

If this action impacts your child due to their specific needs, we will contact you directly with further information as we seek to establish alternative arrangements.

Kind Regards

Catherine Anderson

Principal
