Absent Notifications

As we move towards efficiently using our 3rd party software, Sentral, we will be sending out email reminders relating to absences. If your child is marked absent during morning roll call, you will receive the notification by 10am requesting an explanation. This will lead us to a more efficient and paperless system.

Collecting Bread Bags

This is the **last week** to get your bread bags in. Thank you all for your support. When finalized the sports captains will be able to choose the new sporting equipment.

Challenge your family to dedicate one day a week to turning off screens. Reducing screen time will give your kids more time to play and connect as a family.

Tips

- Decide what 'screen free' will mean for your family.
- Be a role model for your kids – commit to the challenge too.
- Plan some screen-free activities to do together.
- Let your kids come up with their own ideas – start a new tradition.
