## Good for Kids good for life START THE DAY RIGHT WITH BREAKFAST

We've all heard that breakfast is the most important meal of the day and it's true! Research has shown that children who eat breakfast before school have higher levels of concentration and are less likely to feel lethargic.

Below are some ideas for a nutritious breakfast:

- Wholegrain cereal such as Weetbix, Porridge and Sultana Bran
- Untoasted muesli topped with low fat yogurt
- Wholegrain toast topped with avocado, tomato or low fat cheese
- Raisin toast
- Fruit & vegetable smoothies

If you're short on time, some quick ideas to send to school with your child includes: a tub of low fat yoghurt, cereal to munch such as fruity bites, breakfast drinks such as Up & Go or some fruit.
