

Play Based Learning Term 3

K12 continue to enjoy engaging hands on play-based learning opportunities linked to curriculum. This week we have been exploring artefacts from the past, character features of the Gruffalo in Art, the lifecycle of a hen and dramatic play at our corner store play shop weighing the mass of food products! Thank you to our parent helpers, Jen and Meekah, for assisting our sessions. Thank you Mr Briscoe for bringing in your special bear and Mrs B for your little lifecycle of the hen! Stay tuned for more exciting play updates!
