Dear Parents/Carers,

Lots of notes are sent home at this time of the year. Please ensure they are returned promptly to assist with our organisation.

Catherine Anderson — Principal

## School News

### Learning Disposition

This week we are focusing on Achievement – follow and extend my interests with enthusiasm, energy and concentration.

### Key Word Sign

NO

### Snake Safety

Ms Anderson and Mrs Dew will be attending some Emergency response on Tuesday 8.30am - 1.00pm. The office will be unmanned at this time, however we will be returning after lunch. The Department of Education take our snake issue seriously, and last week tradespeople were on site, snake proofing our school, which involved putting wire mesh around each demountable to fill the gap between the ground and the bottom of the building. A team of tradespeople also spent 3 days clearing and cutting back the shrubs at the grounds at the old school house.

### Dental Visit—URGENT Action

Dental notes were sent home last week. This is a free service. Mobile Dental Care Australia will be visiting our school to conduct free dental check ups and treatments **TOMORROW**. If you don't want to miss out the notes must be returned first thing tomorrow morning. Please read the form carefully.

## P&C

Our next P&C meeting is not until February 2025. Everyone is welcome. Thank you to the P&C for all they have done for us this year.

## Learning Space Handover

Alison Brand (Assets Management Unit) and Robbie (Builder) met with me last week to handover our new learning space. There are a few minor things to tweak and then this space will be functional. It will be used for break out learning groups, sports equipment storage and will also be a great spot to watch a game of tennis.
