From the Principal

Dear Parents/Carers,

Winter has arrived. Students should now be wearing full winter uniform. We are continuing to see students arrive without jumpers which is concerning on these cold days. Please ensure students are dressed warmly to avoid being uncomfortable and getting sick.

COME

P&C Meeting

Our next meeting will be held on **Wed 23rd July** 6pm in the school library. Everyone is welcome and we hope to see you there.

Attendance

We have noticed an increase in students arriving to school late. Arriving late can cause students to miss important instructions, announcements, or the beginning of lessons, which can lead to gaps in understanding and knowledge. Consistently coming to school late can disrupt a student's daily routine, leading to increased stress and difficulty in managing time effectively for both academic and personal responsibilities.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process.
